

Instructions:

Equipment; Die & 1 counter per person

- Players take turns to roll the dice to move around the board.
- When a player lands on the coloured footprint, another player picks up the card and asks the question.
- The initial player needs to answer the question.
- If they are correct they keep that card. If they are incorrect the card goes back into the pile.
- Players take turns until all cards have been answered correctly.
- The winner is the player with the most cards.
